Updated English Hill Home on Cul-De-Sac with a Huge Backyard

Tucked at the back of a quiet cul-de-sac in Redmond's sought-after English Hill neighborhood, this beautifully updated two-story home offers the perfect blend of comfort, privacy, and functionality. Set on an expansive 10,543 sq ft lot within the award-winning Northshore School District—including Sunrise Elementary—this home is a rare opportunity for those seeking space, serenity, and connection to community.

A charming front porch, mature landscaping, and a wisteria-draped trellis set the tone as you arrive. Step inside to a thoughtfully updated 2,090 sq ft layout with fresh design and modern conveniences. The foyer opens to light-filled living and dining spaces, enhanced by updated hardwood floors and expansive bay windows that bring the outdoors in. Just beyond, a beautifully remodeled kitchen anchors the main level with slab granite counters, a farmhouse-style sink, and newer stainless steel appliances—including gas cooktop. Rich cabinetry and a central island with seating create a kitchen that's both elegant and efficient—perfect for gathering, cooking, or entertaining.

The open-concept layout flows effortlessly into the casual dining nook and inviting family room, complete with an electric fireplace (wood fireplace intact) and built-ins. From here, step outside to an expansive, low maintenance deck that connects to a lower paver patio, lush lawn, and beautifully landscaped grounds surrounded by evergreens for year-round privacy.

Upstairs, the spacious primary suite features vaulted ceilings, a bay window, and a fully remodeled bath with dual vanities, double shower heads, and a walk-in closet with custom built-ins. Three additional bedrooms provide versatility for family, guests, or work-from-home needs. Murphy bed included. A stylish and updated full bath with quartz-topped vanity completes the upper level.

The backyard is a true retreat—offering a large sport court, a gas bbq grill, a charming playhouse, and a covered gazebo lounge nestled in nature. Additional updates include a new roof and furnace in 2024, and Central A/C in 2023, an electric car charger, and high-quality windows throughout.

This is more than a house—it's a lifestyle of connection, quiet, and convenience in one of Redmond's most desirable communities.
