Beautifully Updated Move-In Ready Home in Bothell

Welcome to this beautifully updated four-bedroom, three-bath home blends modern updates with a relaxed, indoor-outdoor lifestyle. Fresh exterior and interior paint set a crisp tone from the curb, while a 2022 roof and an attached two-car garage add confidence and everyday convenience. Step inside to a soaring split-level entry that leads to a vaulted living room filled with natural light. Broad windows and a sleek gas fireplace create an inviting atmosphere, while a sliding door leads to a sunlit deck—perfect for morning coffee or evening gatherings.

The open concept kitchen connects seamlessly to dining and living areas, encouraging togetherness. A skylight and window over the sink bring in natural light throughout the day. White cabinetry, durable new LVP flooring, and ample counter space make meal prep effortless. Just down the hall, three comfortable bedrooms rest on the same level, including a vaulted primary suite with an arched window, walk-in closet, and private en-suite bath. A second full hall bath supports daily routines with ease.

The daylight lower level offers the versatile bonus space today's buyers crave—ideal for a media room, gym, playroom, or second living area. A fourth bedroom and a convenient three-quarter bath with laundry create a perfect setup for guests, a home office, or multi-generational living. Sliding doors open to a ground-level patio and the low-maintenance, fenced yard. With two outdoor zones—deck above, patio below—you'll enjoy options for open-air dining and easy entertaining in every season.

Set on an efficient 3,200-SF parcel, the 1,998-SF layout maximizes usable space and storage, including the wide driveway and interior access to the garage. Recent updates—including fresh paint, new carpet, and luxury vinyl plank flooring—offer a turnkey experience so you can simply move in and enjoy.

All of this comes with the value of the Everett School District, served by Forest View Elementary, Gateway Middle School, and Henry M. Jackson High School. You're minutes to both Bothell and Mill Creek shops, parks, and commuting routes, yet tucked into a friendly neighborhood setting. With flexible spaces, stylish updates, and abundant natural light, make this home an exceptional Bothell find.
