Updated English Hill Home with a Spacious Deck and Backyard

Inviting Olde Morrison Place home on English Hill delivers the space, flow, and outdoor privacy buyers want, plus meaningful system and home updates for peace of mind. Set on a 7,500 sq ft lot, the two story layout offers 2,230 sq ft with four bedrooms and 2.25 baths, all in the Northshore School District. The neighborhood setting feels established and peaceful, while access to Redmond, Kirkland, Woodinville, and key routes across the Eastside keeps daily life convenient for work, play, and weekend plans.

A welcoming covered entry opens to a bright main level with updated flooring (2026) and an easy, connected plan for everyday living and entertaining. Enjoy a separate living room with generous windows, a dining room ready for hosting, and a comfortable family room anchored by a fireplace and wide backyard views.

The kitchen is the hub, featuring abundant cabinetry, a large peninsula with seating, ample prep space, and a gas range. New appliances in 2026 pair with a clean tile backsplash and great counter space for meal prep and serving. The adjacent breakfast area and deck access make grilling, dining, and gatherings effortless. A main level powder bath and a dedicated laundry room add practical convenience, and the two car garage plus wide driveway provide easy parking and storage.

Upstairs, four bedrooms create flexible options for guest space, office needs, fitness, or hobbies. The primary suite offers a comfortable retreat with an attached 3/4 bath, double vanity, and a walk in closet. A full hall bath with a skylight provides bright, functional space for shared use.

Outside, enjoy a spacious deck designed for dining and lounging, wrapped in mature evergreens and full fencing for a private, tucked away feel. Paver walkways create easy circulation from the deck to the yard, and the usable lawn offers room to relax, garden, or enjoy outdoor games. Nearby parks, trails, and everyday conveniences make the location as practical as it is enjoyable.

Major updates: 2026 roof, refinished hardwoods, new carpet and interior paint, plus a 2024 water heater, furnace, and air conditioning. If you have been waiting for an English Hill home with real usable space inside and out, this is one to see.
