Windermere
REAL ESTATE

Beautifully Updated. Naturally Private. Perfectly Located.

Thoughtfully updated and move-in ready, this 3-bedroom, 1.75-bath home in the sought-after Glenterra neighborhood delivers the complete package - a fully remodeled kitchen, air conditioning, quality updates throughout, and a private backyard backing to a lush greenbelt with no rear neighbors.

A level, manicured front lawn, brick accent detailing, a rich wood-tone front door, and a two-car garage create a welcoming first impression that carries through every corner of the home. Step inside and the open-concept main level immediately delivers - hardwood floors, recessed lighting, updated trim and baseboards, and a bright neutral palette that connects every space with warmth and continuity. Sliding glass doors off the dining area open directly to the rear deck, making indoor-outdoor living effortless year-round.

Stunning, brand new kitchen featuring custom walnut-tone cabinetry, quartz countertops, a new range, microwave, dishwasher, garbage disposal, and a full suite of stainless appliances. A large peninsula with seating and undermount sink serves equally well for cooking and casual dining, and a picture window framing the wooded greenbelt makes this kitchen as enjoyable to be in as it is functional.

The primary suite offers a fully updated, spa-quality 3/4 bath with an oversized walk-in shower, built-in bench, floor-to-ceiling subway tile, frameless glass enclosure, and double vanity with dark quartz countertops. Two additional bedrooms serve equally well for guests, a home office, or flexible living, and a full hall bath with tub and shower combination rounds out the layout.

Outside, a Trex composite deck with Trex black metal guardrails overlooks a fully fenced, level backyard with raised garden beds and a natural greenbelt along the rear fence line - your own private piece of the Pacific Northwest. No rear neighbors. No HOA. Major systems are fully addressed: updated roof and gutters, high-efficiency furnace, central air conditioning, and updated attic and crawl space insulation. Served by the award-winning Northshore School District, this home offers the lifestyle, location, and low-maintenance living.
